BlaqOut is a 501(c)3 nonprofit and movement organization working to improve healthcare access and social outcomes for Kansas City's Black LGBTQ+ community.

Our corporate partners provide critical resources that allow BlaqOut to offer innovative health programs and services to some of our community's most vulnerable members. Your company's donation significantly impacts the lives of Black queer people by making essential services like HIV testing and prevention, telehealth, and PrEP/PEP easily accessible — **at no cost!**

Choose the Corporate Sponsorship Level that works best for your company and prove that your organization goes deeper than commerce — it truly cares about and supports its community.
